It's that time of year again when Midway Girls Softball is looking for sponsors! With over 350 girls ages 5 through 18, Midway is looking for your support to help us supply the players with all that is needed to learn the game and have fun! Your contribution allows us to purchase uniforms and equipment while helping to keep players' registration fees at a minimum—so that all girls interested in the game have an opportunity to participate.

We are asking for a \$250 donation from you (a tax receipt will be provided upon request). In turn, your name will appear on the players' jerseys and your support will also be acknowledged in the Midway Girls Softball newsletters, on our website, and on various signage at the concession stand. In addition, your "team" will recognize your generosity by presenting you with a sponsorship plaque at our annual banquet.

If you are interested in sponsoring a Midway Girls Softball team for the 2010 season, please notify me by March 15, 2010, by returning the below form with a check made payable to Midway Girls Softball. Please consider sponsoring a Midway Girls Softball Team this year! Return this form to PO Box 417 Hockessin, DE 19707 Attention: Sponsors, or call me at 494-5450 for more information. Thanks in advance for your support.

Sincerely,

Patricia Sinkus
President, Midway Girls Softball
